

Dear Ralph & Sherry

I just got the Bank Check from you yesterday.  
You just sent it on July 19 by surface Mail, so Time  
flew almost  $1\frac{1}{2}$  month, not <sup>like</sup> a missile but ancient arrow.

Now, I have very busy time in Tokyo, in this year,  
and had not get summer vacation (only 3 days).

My business working get along very good condition,  
but My personal video work was [Closed], because  
of I did not have ~~holiday as~~ Saturday as holiday.  
good solution for it may be "Take off TOKYO"

See you soon!
